Manuscript proposal to the Bug-Network

For more information see bug-net.org

1. Lead authors

Names of the lead authors, contact information, and affiliations

2. Preliminary title

3. Abstract of the paper with aims and methods of the study outlined and with the main questions or hypotheses to be addressed

4. Outline of the analysis

Please specify what kind of analysis you would like to do. This can be quite preliminary, but a rough sketch of possible analyses will help collaborators to see what the idea is.

5. Requested data

Please explain which variables you would like to use

6. Anticipated timeline

7. References (optional)

8. Statement

I have read the author contribution guidelines and I am aware that if there is no evidence of progress for this project within 1 year after its approval, the right to use BugNet data expires. Justified extensions of the time frame can be approved by the BugNet Core team.

Date: _____   Signature: _____
